Chairman's Message

**Prof. Dr. Mahendra
Pd. Shrestha**
Chairman

Atlantic International College (AIC) aims to prepare human resources capable to manage middle level management necessary in the companies, business and entrepreneurial sectors, INGOs and NGOs that must stand supportive in achieving the overall economic and social development goals of the country. This college believes in holistic development of each student, by giving individual attention to each one of them.

We are very thankful to have received overwhelming support and cooperation from different institutions that extended their cooperation for our students' internship and summer project. We are committed to impart even better quality education geared towards more practicum teaching pedagogy together with the regular class room settings. The suggestions thankfully received have given us a new way of thinking in our teaching-learning environment in the college.

I am confident that the information provided in this prospectus will be very helpful. Please visit our college and see for yourself who we are and what we have to offer.

Principal's Message

**Dr. Shankar
N. Adhikary**
Principal

Welcome to vibrant and ever growing academic community of Atlantic International College! This is the institution where academics and activities never end, where learning is a sheer joy. We help our students in manifesting their vision completely while moulding them into future business leaders, managers and entrepreneurs. We instill them with the strength of character, self-confidence, technical competence and leadership.

Atlantic has an enviable track record of academic excellence. Within a short span of its inception our students have made us feel proud with their outstanding results in the university board examinations. Our 201 meritorious students who have been able to score perfect 4.00 SGPA over 305 times in the Pokhara University board examinations are the testimony of quality that we offer.

We invite you to embark on a lifetime partnership with our institution.

Thanking you for your interest in Atlantic International College for higher studies in Management.

College**

About Us

Atlantic International College (AIC) is a state-of-the-art Business college established in 2009 in affiliation with Pokhara University. Known for its excellence in Management studies, AIC offers a range of undergraduate and postgraduate programs, including Bachelor of Business Administration (BBA), Bachelor of Business Administration in Finance (BBA-Finance), Master of Business Administration (MBA), and Master of Business Administration in Finance (MBA-Finance). Since its inception, AIC has been dedicated to fostering academic excellence, innovation, and leadership in business education. With its comprehensive academic programs, dedicated faculty, modern facilities, and strong industry connections, AIC prepares students to meet the challenges of the global business environment. The college's commitment to academic excellence, innovation, and social responsibility makes it a top choice for aspiring business leaders in Nepal.

Vision & Mission

AIC aims to be a leading centre for business education in Nepal. The college's mission is to provide a holistic learning environment that integrates theoretical knowledge with practical skills, preparing students to excel in the global business arena. AIC focuses on nurturing ethical, innovative, and socially responsible leaders who can navigate the complexities of the modern business world.

Admission Criteria

BBA/BBA (Finance):

Candidates who have completed 10+2 degree or equivalent from a recognized university, board or institution with at least 2.00 CGPA can apply for BBA and BBA (Finance). As Atlantic BBA and BBA (Finance) admission is strictly on merit basis, only competitive candidates will be awarded this opportunity. Each candidate should go through AIC entrance test, essay writing and interview before they will be regarded as eligible for the admission.

MBA/MBA (Finance):

Atlantic International College offers admissions to its MBA and MBA (Finance) programmes twice a year, in August and February. To be eligible for the MBA and MBA (Finance) programmes at Atlantic, applicants must have a CGPA of at least 2.0 out of 4.0 or a second division, along with 15 years of formal education, or a three-year bachelor's degree in any discipline. Atlantic College admits only 30 students to each MBA and MBA Finance class. The final selection and admission process includes a written test, group discussion, individual presentation, and personal interview.

Scholarship & Awards

- Full scholarship will be provided to 10% of total students as selected by Pokhara University.
- Partial scholarship to needy students on the basis of their academic performance at the time of admission.

Non-credit Courses

AIC offers Non-Credit Courses to its students at the final year with a view to provide them a professional exposure needed for job market. The Graduate and Undergraduate students will receive Leadership and Personality Development, Business Communication and relevant soft-skilled courses from renowned experts.

Credit Transfer

Up to 25% of total credit hour (30 credit hour) will be transferred for foreign study on the recommendation of Office of Dean, Pokhara University.

Teaching Pedagogy

Atlantic faculty members are exceptionally qualified and experienced in student-centered teaching system. Besides, most of them are researchers and experts in their respective fields. The teaching pedagogy includes:

- Classroom lectures
- Guest lectures
- Practical classes
- Group discussions and group exercises
- Case studies
- Laboratory works
- Project works, term papers and presentations
- Seminars
- Internship

Internship

It is mandatory for all the students to complete their internship and presentation. AIC offers its students an internship for 8 weeks. They will have to complete their internship from reputed financial, industrial or insurance companies. The internship opportunities will offer the students a practical exposure to the real professional scenario.

inspiring future leaders worldwide.

Industry Partnerships & Alumni Network

AIC has established strong partnerships with leading businesses, financial institutions, and other organizations. These collaborations provide students with internship opportunities, industry exposure, and practical experience. The college also has an active alumni network of more than 2000 past students, with graduates holding prominent positions in various sectors. Atlanti Alumni has been formed with the view to reconnect with old friends fostering a communication between the college and past students. The alumni association facilitates networking, mentoring, and career development for current students and recent graduates.

Facilities & Infrastructure

AIC provides all the possible facilities to support the academic and extracurricular needs of its students. The college features modern classrooms equipped with the latest technology, a well-stocked library with a vast collection of books and digital resources, computer labs, and seminar halls. Additionally, AIC offers various student services, including career counselling, academic advising, and internship placement assistance.

Beyond **Academics**, Beyond **Limits!**

AIC's student clubs empower you to explore interests, develop leadership, and build lifelong connections.

Clubs & Community Services

AIC emphasizes the importance of a well-rounded education, encouraging students to participate in extracurricular activities. The college offers various clubs and organizations, including a business club, debate society, podcast club and sports teams. The clubs facilitate students in expanding their experiences and improving their skills. These activities provide students with opportunities to develop leadership skills, network with peers, and engage in community service. Joining or forming student organizations that interest a student is a great way to share, network and develop leadership skills. AIC encourages its students to be a part of its various students clubs namely; Readers' Club, Entrepreneurial Club, Social Club, Art, Culture and IT Club and Sports Club.

Frequently Asked Questions (FAQs):

➤ **What undergraduate and graduate programs does the business college offer?**

The college offers a variety of programs, including Bachelor's degrees in Business Administration (BBA), Bachelor's degrees in Business Administration in Finance (BBA-Finance), as well as Master in Business Administration (MBA) and Master in Business Administration in Finance (MBA-Finance).

➤ **What are the admission requirements?**

Admission requirements typically include a completed application, transcripts, migration certificate along with an entrance test and interview.

➤ **Who are eligible to apply?**

Students who have successfully completed or expect to complete Intermediate or NEB or an equivalent degree with minimum of D+ grade are eligible to apply the Bachelor's Program. The candidate with minimum three-year Bachelor's degree in any discipline with at least 45% in aggregate or CGPA 2.0 can apply for the Master's Program.

➤ **Are there opportunities for internships and practical experience?**

Yes, the college has strong industry connections and offers internships, co-op programs, and partnerships with companies to provide practical, real-world experience.

➤ **What career services are available to students?**

The college offers career counselling, resume workshops, non-credit professional courses, and networking events with alumni and industry professionals.

➤ **What are the tuition fees, and are there financial aid options?**

Tuition fees vary by program, but the college offers partial scholarships on the basis the academic

performance to help students manage costs. 10% of total students will be provided full scholarship as selected by Pokhara University through its scholarship tests.

➤ **What is the student-to-faculty ratio?**

The college prides itself on small class sizes, with a student-to-faculty ratio of approximately 15:1, ensuring personalized attention and mentoring.

➤ **What extracurricular activities are available?**

The college offers a range of student organizations, clubs, and societies focused on business, entrepreneurship, finance, and leadership.

➤ **What facilities and resources are available to students?**

Students have access to state-of-the-art facilities, including business labs, libraries, and computer centers, as well as online resources and databases.

➤ **How successful are the graduates in finding employment?**

The college boasts a high employment rate for graduates, with many securing positions at top companies within six months of graduation.

➤ **Is there on-campus housing available?**

No, the college does not offer on-campus housing options for students. However, it can help in finding nearby private hostels or apartment on the student's request.

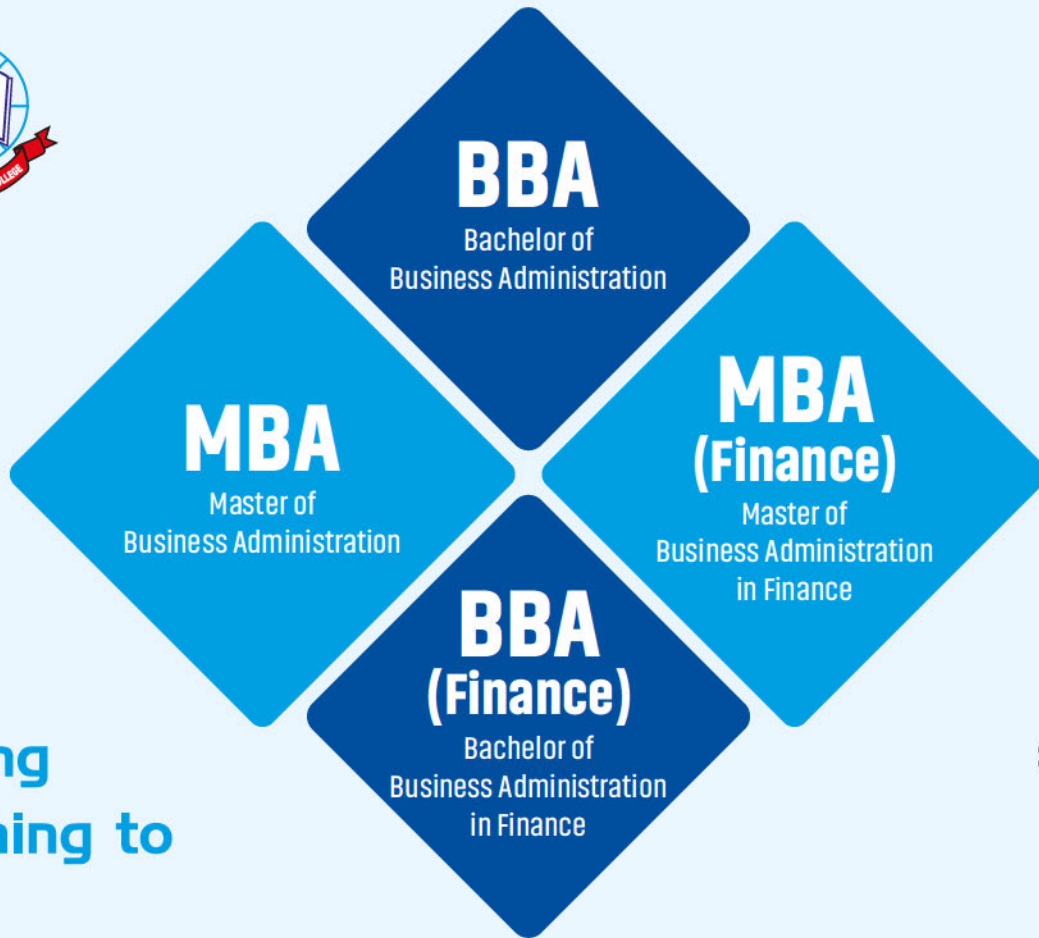

➤ **What kind of support services are available to students?**

The college provides academic advising, tutoring, mental health counselling, and other support services to help students succeed.
